SKILLS

Personal Skills

- Team player
- Fast Learner
- Pragmatism
- Problem Solver
- Quality approach

Project Management

- Scrum
- Kanban
- Risk Assessment
- Planning
- Operations Management

Technical Architecture

- SOA
- Data Intensive Application
- Distributed Systems
- Event Driven Architecture
- Fault Tolerance
- High Availability
- Cloud Native Application

Software Architecture

- N-Tier Architecture
- Ports and Adapter (Hexagonal)
- Onion
- Function Core - Imperative Shell
- CQRS
- Event Sourcing

Development

- .NET (C# / F#)
- Haskell
- Typescript + React + Redux Toolkit
- Python
- Continuous Integration
- Continuous Delivery
- TDD
- BDD
- DDD

DevOps / SRE

- Continuous Integration
- Continuous Delivery
- Infrastructure As Code
- Release Automation
- Monitoring
- Terraform
- Powershell Core
- Bash
- Gitlab CI
- Azure DevOps
- SLOs

Certifications

AZ-204

SOFTWARE DEVELOPMENT

ETNA, IONIS GROUPE (FRANCE)

2011

COMPUTER GAME DEV. – Bsc Hons.

UNIVERSITY OF GLAMORGAN (WALES)

2008
